

XIV CercleS International Conference 2016
Enhancing Learners' Creative and Critical Thinking: The Role of University
Language Centres
22-23-24 September 2016
University of Calabria - Italy

We are very pleased to welcome you as a presenter at the **XIV CercleS International Conference**. To facilitate the organization of the Poster Presentations, we have included some information that we think will be useful for you.

Poster Session

The poster session will take place at **Castello Svevo** in Cosenza on **Friday 23 September from 17:15 to 18:30**. All poster presenters are expected to stay next to their poster during that time to engage in one-on-one discussions with conference participants answer questions and interact with them. To allow for greater visibility, the posters will be exhibited until the end of the event that evening, although presenters are not required to be present in the exhibit room after 18:30 (you can choose to stay at your poster panel at your discretion).

The poster should include the title of your presentation, your name and your institutional affiliation. We suggest that you include a short text with clearly labelled photos, drawings or graphs, but feel free to be as creative as you want!

It is useful to have handouts to give to conference participants. All materials must be prepared prior to the conference because there will be no reproduction facilities.

No audiovisual equipment or electrical access will be available.

Detailed information

Stands: Posters will be hung on special panels provided by the conference organizers.

Poster size: Posters must not be more than 130 cm wide x 90 cm high (landscape style).
