

Dear colleagues,

We would like to announce the following virtual exchange on Digital/Remote Leadership for managers in CercleS member institutions.

The pandemic has not only changed our teaching practice, but has also had an effect on cooperation and leadership. We would like to invite colleagues in managerial/leadership positions to a first exchange on the topic:

Tuesday 20 October 2020, 17:00-18:00 (CET) on Zoom:

<https://univ-amu-fr.zoom.us/j/95230765578?pwd=UXNQTHBUdTJYK3pXNVRhaFduMTNCdz09>

Peer exchange on Digital/Remote leadership: How do we lead individuals and teams when not meeting them in person? Which challenges do we face? What coping strategies have proven helpful? Which questions remain?

Code of Conduct:

The meeting will not be recorded. All participants commit to treating input confidentially.

Looking forward to this exchange!

Best wishes,
Your Executive Committee
